Age Concern South Canterbury Fund

Age Concern South Canterbury is a respected charity.

They are here to prevent loneliness, promote dignity and respect, and to empower older people to flourish.

At the heart of the work that Age Concern South Canterbury does, is a passion and commitment to older adults.

Age Concern South Canterbury provide social support services, information and advice as well as educational programmes that foster social connections and keep people safe from harm.

"She loved music, loved to be entertained, loved to dance and you could hear her above anyone else, that sparkle in her eyes, her feet and hands tapping, it was so delightful."

- Robyn Baldwin, Friend of Margie.

About the Fund

The Age Concern South Canterbury Fund was made possible because of a generous bequest to Age Concern from Margaret (Margie) Ritchie.

Margie was a long time member and volunteer. She was a larger than life character that had a passion for all living things, colour and fun. Margie's friend, Robyn Baldwin says "she loved music, loved to be entertained, loved to dance and you could hear her above anyone else, that sparkle in her eyes, her feet and hands tapping, it was so delightful."

The dream is that this fund will grow to a level that will sustain the ongoing operations of Age Concern South Canterbury now and into the future.

Aoraki Foundation

The Aoraki Foundation is South Canterbury's Community Foundation. Governed by a group of experienced volunteer trustees, we provide a trustworthy vehicle for you to contribute to the local causes that really matter to you.

We believe in a better South Canterbury for all, and see this being achieved through the power of giving.

What is a Community Foundation?

Community Foundations are local, independent, and not-for-profit. They run a well-proven model of giving which has been growing across the world for over 100 years, and they are now established in 17 regions in New Zealand.

Community Foundations build long-term, reliable funding streams for their local communities by investing and growing the donations they receive. Our smarter giving model ensures your gift to the community is everlasting.

How our unique giving model works

- We raise funds from donations and gifts
- We invest these funds retaining the capital and generating income
- We grow the capital to protect against inflation
- We use the remaining income to provide grants to local charities, in this case Age Concern South Canterbury.

YOUR GIFT

IS INVESTED AND GROWN

AND THE ONGOING INCOME EARNED

GOES TO THE LOCAL CAUSES YOU LOVE.

"Creating the Age Concern South Canterbury Fund will bring lasting benefits to the community, providing funds so we can continue to support older people in our region for generations to come."
